

FREE AIRPLANE RIDES!

Kids Ages 8-17 Register Early, Space is Limited

Experience the Thrill of Flight!

Hey Parents, Give Your Kids an 'Altitude' Adjustment!

The EAA Young Eagles program has provided more than 1 million young people between the ages of 8 and 17 the experience of flight. We think your child is an ideal candidate. The flight is free, safe and flown by a licensed and experienced volunteer pilot whose life has been enhanced by aviation.

While not everyone who participates in the Young Eagles program becomes a pilot, the experience of flight is guaranteed to give each participant a new perspective on their world. It may even inspire your child to realize that when it comes to human potential, there are no limits.

For more information about setting up a Young Eagles flight:

Visit our web site to sign up or for further info:

www.youneagles.eaa79.org

For more info, call:
Tracy or Jamie Aitken
509/279-2935

Sign up your kids today!

EAA, the leader in recreational aviation, is an international association with 170,000 members and more than 1000 local Chapters. For more information on EAA and its programs, call 1-800-JOIN-EAA (1-800-564-6322) or explore EAA's World Wide web site (www.eaa.org).
